club overview

From coding to cross-country, there's a club for every Trailblazer!

At IST, we believe that teamwork, shared interests, and fun are critically important parts of growing, learning, and embodying the IB Learner Attributes.

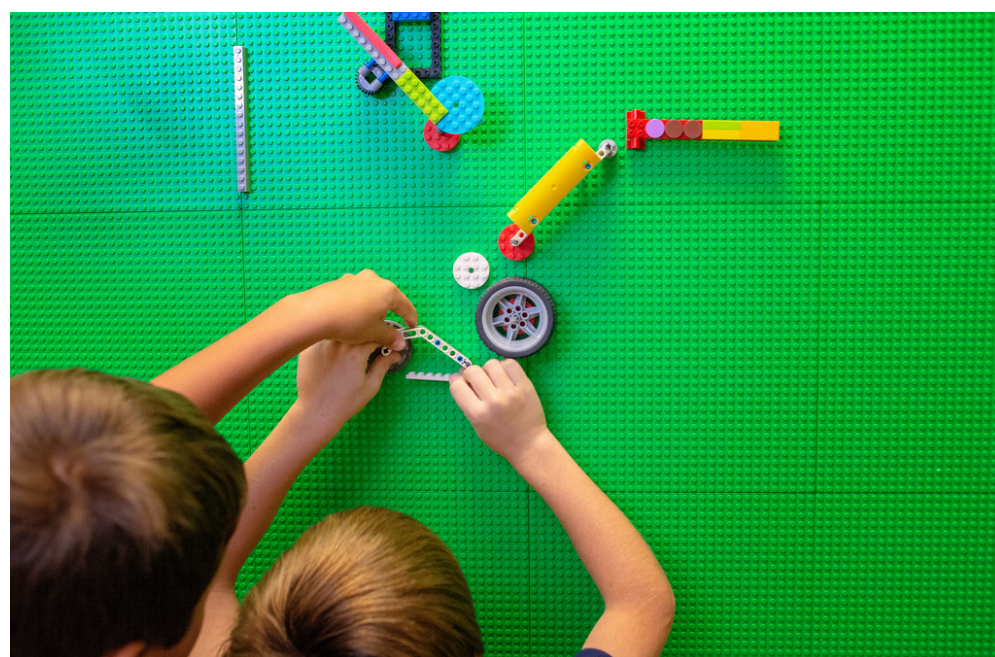

We are delighted to present our club and team activities for the 2022-23 School Year. We can't wait to see our cross-country runners on their morning runs, to hear our Choir sing our favorite songs, or for our Club Trailblazer students to express their creativity!

This Course Catalogue will help you learn about the offerings and registration process for our PYP students.

If you have questions, contact Maddie Bates at m.bates@istexas.org. See you soon!

our goal

IST's goal is to provide engaging, stimulating, and fun physical and intellectual activities that complement our curriculum and give our Trailblazers even more opportunities to learn, grow, and be with friends. We include time for snacks and recess, our planned activities, and free play.

afternoon club/sport schedule

- 3:25 PM: School Dismissal
- 3:30-4 PM: Snack and Recess
- 4-4:55 PM: Planned Activity Period
- 5:00 PM: Pickup

Note: Team competition and scrimmage schedules may differ.

pickup time & procedures

Students must be picked up promptly at 5 PM.

Parents or guardians who are late to pick up their students will be charged (via the TADS system) an extra fee of \$5 per minute/per child for pickup after 5:10 PM. For billing purposes, the time parent and student leave the building is considered dispositive. If you need to use the facilities, please arrive with enough time.

Parents and/or guardians are required to check out each student daily by walking into Building A (by the Front Office) and signing out their child with the assigned afterschool teacher/club advisor. Students are only allowed to leave IST premises with pre-authorized individuals, and may not leave unattended.

Children will not be released to anyone other than a parent, guardian, or person listed on the child's authorization form on file with IST. If you need to make a change to who is authorized to pick up your child, please notify the Front Desk (frontdesk@istexas.org) in writing or via email prior to pick-up time. If a staff member is unfamiliar with any person picking up a child, IST will require photo identification prior to release.

snacks

All students should bring a healthy snack each day.

Please remember that IST is a nut-free campus. No snacks containing any nuts are permitted. If you have questions about campus-friendly snack options, please contact Nurse Bethany at nurse@istexas.org.

drop-in care

Club Trailblazer can provide drop-in care for IST students, but is subject to availability. Please contact the Front Desk at (512) 351-3403 or email frontdesk@istexas.org if you would like to sign your child up for a drop-in attendance.

All drop-in care will follow the daily afterschool schedule and operations.

Any student not picked up by 3:45 PM on a regular school day will be placed into a club and a \$40 drop-in charge will apply. Billing for drop-in care will be processed through TADS.

registration acknowledgment

To register your child for IST Clubs and Teams, please use the online registration link below.

<https://reg139.imperisoft.com/internationalschooloftexas/Search/Registration.aspx>

Please note that parents/guardians must sign the Parent Acknowledgement Form in order for their child to participate in any IST clubs or teams.

By registering your child for an IST club or team, you expressly acknowledge that the deadline to pick up students is 5:00 PM and that an extra fee of \$5 per minute and per child will be assessed via TADS for any pickups after that time.
