Start/end times are staggered to alleviate traffic congestion on our campus.

Beginning in the 2024-25 school year, IST's grade level organizational structure has changed to better reflect our operations.

We now classify grades JPK - Kindergarten as Early Childhood, and Grades 1-5 as our Lower School. Both of these developmental bands are known as our Primary grades and are led by interim Head of Primary, Gené Racinkas.

We now classify grades 6-8 as our Middle School, and Grades 9+ as our Upper School. These developmental bands are known as our Secondary grades and are led by Head of Secondary, Chad Hyatt.

We are still an IB World School, with PYP, MYP, and eventually DP, being accurate curriculum groupings.
